### Tanguar Haor: A journey to serenity

Tanguar Haor, one of least explored destination in Bangladesh with stunning view of distant hills of Meghalaya and shallow water land stretching to the horizon. Mix those two ingredients with the warm hospitality of the locals and their simple way of life will make you fall in love with rural Bangladeshi beauty all over again.

Spreading over a hundred square kilometer area of Shunamgonj district, Tanguar Haor is covered mostly by water with varying depth in different season. This makes it possible to have one of the largest single stretching paddy field and glistening reflection of the sky over a vast water body in the same piece of land, six month apart.

To reach this secluded paradise of Bangladesh journey would include bus Safest way to travel is by Bus, takes about 7 hours to reach Shunamgonj from Dhaka.

Our boat "Rupaboi" will greet you from Saheb Bari Ghat of Shunamganj. This would take another 20 minutes from with a different vehicle
